

# Forsyth County Public Library Friends & Advocates

FCPL Friends & Advocates support the Library in its efforts to promote literacy in our community and to encourage residents to visit the library and make full use of its resources.

As a Member of the FCPL Friends & Advocates, you can help ensure that our community is able to continue to enjoy the valuable programs our library offers.

Membership entitles you to advance entry into the semi-annual book sales sponsored by FCPL Friends & Advocates.

Members are also invited to attend our annual general membership meeting, and to volunteer at book sales and other special events.
